Hi Chuck – I signed for you (and for myself) and handed it off to Chris. Came by to let you know but failed to catch you.

I already authorized Mike to sign for me if I was not available. But, if it's acceptable protocol for OPRA you can use this email as my concurrence.

Thanks.

Chuck

I'm here and can concur for both of us if Chuck's not available. I'll have my desk phone roll to my cell — just call me whenever it's good.

Chuck and Mike

I just showed the letter to Patrick Rogers, new tribal advisor, and explained a bit about the context.

I noticed that neither of you concurred on the routing slip. Are you available now or do you want to concur electronically?

Thanks

Thanks, Monica. I agree on the timing. If we need to reach Jeremy, the mobile number I have for him is Ex. 6 - Personal Privacy hope that's still good and the same as

I will forward the voicemail that Jeremy left me late yesterday also. Looks like we should get the letter signed today, if possible.

Attached please find the signed copy of the resolution that was previously submitted to EPA in relation to the U&O FIP.

I am meeting with the Business Committee tomorrow afternoon but could still address this matter Wednesday if you are able to issue us a letter by that time this would be most helpful.

Thanks

Yes it would be the Vice -Chairman Ed Secakuku, Tom Fredericks and myself at this point.

Do you have a call in number for the meeting that we can use?

Jeremy
